Willy is having trouble posting rides on our website. He will email Rick Potiker for information.

People going to West Virginia trip May 29th - June 4th please stay after meeting.

New Hampshire Trip June 18, 19, 20 Colebrook area. Larry, Joli & Al going for a ride to check out that area. Discuss at June 13th meeting.

Adopt a Highway - Clean up date set for the 14th but someone else - Betty Ashline - is scheduled for this date. Betty will see if we can split the equipment. If we can't we will clean highway on the 21st. Betty will have Rick Potiker post the date on the website. Meet 9:00 at the springs.

Trail - Dennis DelGrosso - Dennis talked to Jerry Delaney. Lawyer Dennis Phillips not responding to him. If lawyer does not respond we want all our paperwork back. Delaney talked about Cushquay Trail being opened. Delaney pushing on Bob Stegman, DEC, why can't we reopen ours. DEC avoiding idea. Delaney said if DEC does not cooperate he is going to the governors office. Talking to Betty Little today. Dennis will go with Delaney to governors office. DEC coming up with all kinds of excuses. 3 Countys will take care of "highway by use." Still open. Not a dead issue. Howard read an article in the Grass Roots News about our trail trying to be reopened. Howard will try to find article for next meeting. DEC even offered to make a trail thru woodland around existing trail. We already have a trail! Give it back!

Trails Cont - Siskavich Trail. Greg Blow went on the trail ride
- Greg Blow - in the rain. A lot of very disappointed people. Siskavich
says he has insurence on this land. Woodfield made us
have that area open to the public. He is giving away
free memberships when you buy an ATV from Roberts.
May 11th the Lyon Mt Club is having a meeting
at the Legion. Dennis & Al will try to go to meeting.

Parade - Cadyville Parade Sunday June 12th Line up is 11:00.
- Red Caron - Meet at recreation park on Gauddeau road near Cadyville
Gulf Station.

Fund - Last month the club decided to purchase a 2016 Kymco
- Gordon Duprey - ATV to raffle. Joli will make up a poster to
advertise the sale of tickets, 1000 tickets made up.
Roger Robinson suggest we trailer the new bike
in the parade. We pay sales tax on the bike.
Butch Hendrie said we can have Plattsburgh
Distributing make a large poster for us, Butch
will speak to them.
There is concern weather we will have enough people
to work the fair from July 19 - 24. Discuss next
month at meeting. Drawing Sept 12th or when all tickets sold.
Frank Ashline suggest social network pages to
advertise raffle tickets.

Ironman - Al Chapple and Larry Myatt went to the Lake Placid
- Al Chapple - dinner/meeting. It was a good meeting. This years
T-shirts will be bright yellow with name tags.
Ems would like to share in the meals like they
did last year.
Meet Saranac Country store at 7:00. Call him a
couple days before and he will open store early
for us. July 24th.
We take care of the River road area.

9. Old Business Update on Miners:

- Rick Potiker -

Spoke to Kurt. He is very interested in our club taking care of the paperwork making sure all riders are insured and registered. If this works out we may eventually take over the permits. You must be a member of our club to ride up there.

Rougher ride on miners.

Maybe have club map out the trails. Maybe make repairs to trails.

Our bylaws = need proof of insurance + registration

Dennis can map area.

Meet May 27th at Gumas for coffee and/or breakfast.

10. New Business: Keith Berg reports on Deer Valley ride. They have new management. Only 2 people in the place. Very small menu. No substitutions allowed. Strange menu. Food was good. Pretty pricey. Eat by their rules.

11. Verify time and location of next meeting: June 13, 2016 7:00
Clinton County Fair Grounds

12. Motion to Adjourn: Willy Lawrence - motioned
Larry Myatt - second
