Break-fast good again this year. Hot dogs & burgers.

Tighten up details at July meeting.

Trails -

Rick Potiker talked to Kurt at Miners. Miners is open to Outback Riders taking over Miner Trails.

Kurt would like some application to keep at their office.

Buy some rakes & shovels to fix any burms or damage

to the trails. Can ride June 1st - August 31st. They

would like us to police trails. Miners will still give out permits to others this year but would eventually like to see our club take over the permits.

Dennis DelGrosso used his GPS to make up maps for Miners Trails.

We need to look into parking areas for Miners.

Please take it easy riding as not to cause damage to trails and/or the property. Please pick up trash.

Dennis DelGrosso talked to Jerry Delaney today.

Jerry Delaney went to the Governors office. They see no reason for DEC to close trail. But we must file proper paperwork as not to step on DEC's toes.

Our affidavits helped tremendously and using

Dennis' maps of the area really helped to get our trail open.

Paperwork that will be drawn up in the next couple weeks will go to the Governors office. If our lawyer, Dennis Phillips, does not want to get on board with this they have a pro bono lawyer that will help us. Should have everything done in the next couple weeks. Waiting for the politics.

* Thank you so much to Dennis for all his work. *
Once trail is reopened we will have to adjust gates for side by sides.

Our thoughts go out to Jerry Stewart. His mom passed away recently.

Funds - Gordon has tickets to raffle a new Kymco ATV. ATV still not here yet. Gordon will call Roberts. Everyone please take tickets to sell. Gordon had posters made up to help advertise raffle. Butch Hendrie also had nice posters made up.

Parade -

Cadyville parade went well. 11 bikes and 2 dogs. People liked dogs and Sam Marottas machine with all season tracs on it. Chilly day but went well.

Open riding after the poker run. Finalize date and work party at Fern Lake at July meeting.

West Virginia Trip was very nice but not good if you are afraid of heights. Quite a work out. Great place.
